The TARDIS lands the Doctor and Martha in the Lake District in 1909, where a small village has been terrorised by a giant, scaly monster. The search is on for the elusive 'Beast of Westmorland', and explorers, naturalists and hunters from across the country are descending on the fells. King Edward VII himself is on his way to join the search, with a knighthood for whoever finds the Beast. But there is a more sinister presence at work in the Lakes than a mere monster on the rampage, and the Doctor is soon embroiled in the plans of an old and terrifying enemy. And as the hunters become the hunted, a desperate battle of wits begins – with the future of the entire world at stake... An adventure featuring the Tenth Doctor, as played by David Tennant, and his companion Martha

In 1920s London the Doctor and Rose find themselves caught up in the hunt for a mysterious murderer. But not everyone or everything is what they seem. Secrets lie behind locked doors and inhuman killers roam the streets. Who is the Painted Lady and why is she so interested in the Doctor? How can a cat return from the dead? Can anyone be trusted to tell or even to know the truth? With the faceless killers closing in, the Doctor and Rose must solve the mystery of the Clockwise Man before London itself is destroyed... Featuring the Doctor and Rose as played by Christopher Eccleston and Billie Piper in the hit series from BBC Television

The Chelsea Flower Show - hardly the most exciting or dangerous event in the calendar, or so the Doctor thinks. But this is Chelsea 426, a city-sized future colony floating on the clouds of Saturn, and the flowers are much more than they seem. As the Doctor investigates, he becomes more and more worried. Why is shopkeeper Mr Pemberton acting so strangely? And what is Professor Wilberforce's terrible secret? They are close to finding the answers when a familiar foe arrives, and the stakes suddenly get much higher. The Sontarans have plans of their own, and they're not here to arrange flowers... Featuring the Tenth Doctor as played by David Tennant in the hit Doctor Who BBC Television series.

Carefully edited for modern readers to allow for easier reading Obsessed with the secret of creation, Swiss scientist Dr. Victor Frankenstein cobbles together a body he's determined to bring to life. And one fateful night, he does. When the creature opens his eyes, the doctor is repulsed: his vision of perfection is, in fact, a hideous monster. Dr. Frankenstein abandons his creation, but the monster won't be ignored, setting in motion a chain of violence and terror that shadows Victor to his death. Mary Shelley's Frankenstein, a gripping story about the ethics of creation and the consequences of trauma, is one of the most influential Gothic novels in British literature. It is as relevant today as it is haunting.

Hyperville is 2013's top hi-tech 24-hour entertainment complex - a sprawling palace of fun under one massive roof. You can go shopping, or experience the excitement of Doomcastle, WinterZone, or Wild West World. But things are about to get a lot more exciting - and dangerous... What unspeakable horror is lurking on Level Zero of Hyperville? And what will happen when the entire complex goes over to Central Computer Control? For years, the Nestene Consciousness has been waiting and planning, recovering from its wounds. But now it's ready, and its deadly plastic Autons are already in place around the complex. Now more than ever, visiting Hyperville will be an unforgettable experience... Featuring the Doctor as played by David Tennant in the hit Doctor Who BBC Television series.

Get ready to embark upon one of the most adventurous stories told from the viewpoint of a little boy by the name of Aiden. Whisked away in the mind of Aiden, the reader is confronted with some prevailing realities that are embedded within allegoric allusions, but reminiscent of the lives of real people, living real life, every day. The whimsical becomes the powerful voice of the voiceless, and through this genre of writing, gives that voice meaning and purpose. With the use of imaginative characterization and dialogue, the author invites the reader into a world many dare not explore. This short story is just one of many of Dr. Benders' archives of writings that probe at social problems with the purpose of stimulating dialogue to find meaningful solutions. As Founder & CEO of Getting Results, our educational division strives to find solutions that "get real results" for children. Dr. Benders and I developed a curriculum that extends the elements of the "Big Giant Monster" into a full analysis designed to build critical thinking skills for each student reader. As students engage in this book, they will uncover not only their love for reading and the adventures within this short story, but they will also discover their ability to critically think about the deeper issues the author portrays and how they influence race, family, and society. I believe this book will have an impact on students of all ages as teachers and parents use it as a springboard for exploring the issues that can no longer go unanswered. Jerome E. Taylor, Ed.D., Editor Founder & CEO of Getting Results Newtonville, New Jersey
