It is common practice to assume that business practices are universally similar. Business and social attitudes to corruption, however, vary according to the wide variety of cultural norms across the countries of the world. International business involves complex, ethically challenging, and sometimes threatening, dilemmas that can involve political and personal agendas. Corruption in International Business presents a broad range of perspectives on how corruption can be defined; the responsibilities of those working for publicly traded companies to their shareholders; and the positive influences that corporations can have upon combating international corruption. The authors differentiate between public and private sector corruption and explore the implications of both, as well as methods for qualifying and quantifying corruption and the challenges facing policy makers, legal systems, corporations, and NGOs, as they seek to mitigate the effects of corruption and enable cultural and social change.

For introductory International Business courses with the need for a brief, accessible text. This Global Edition has been edited to include enhancements making it more relevant to students outside the United States A readable, concise, and innovative tour through the discipline, International Business: The Challenges of Globalization presents the subject matter in a comprehensive – yet succinct – framework. Real-world examples and engaging features bring concepts to life and make international business accessible to all students.

The international community is confronted with a new set of challenges, the scale and complexity of which is virtually unprecedented. In this connection, there are heightened demands for international business research to provide guidance for decision-makers on how to solve actual problems. Impact of International Business addresses current challenges and issues, and provides fresh insights that are pertinent for policy and practice. The book examines various contemporary international business issues from various viewpoints, draws on research conducted in different countries, examines IB issues in both developed and emerging country contexts, offers various theoretical perspectives and different methodologies. It provides both rigorous empirical and conceptual advances and insights that are useful and relevant for managers and policy makers in their search for solutions in face of current challenges posed by the international environment.

International Business: The Challenge of Global Competition 13e by Ball, Geringer, McNett, and Minor continues to be the most current, objective and thorough treatment of international business available for students. Enriched with colorful maps, photos, and the most up-to-date world data, this text boasts the collective expertise of four authors with firsthand international business experience, specializing in international management, finance, law, global strategy, and marketing – a claim no other text can make. In addition, each new copy of International Business 13e includes access to CESIM – an interactive IB simulation developed for industry professionals. Ball et al is the only textbook on the market which features access to CESIM. Only Ball, Geringer, McNett and Minor can offer a complete view of international business as diverse as the backgrounds of business students.

This fresh new text introduces IB from a truly global and contemporary perspective. Packed with case studies drawn from an impressive spectrum of countries, International Business enables students to link theory with practice and encourages critical thinking. Particular emphasis is placed on key issues such as the growing role of SMEs and entrepreneurship in IB, ethics, CSR, corporate governance and global warming.
