Laundry stripping is a method of washing clothes, sheets and towels that allows you to actually see all the dirt and grime that's hanging out on your supposedly clean linens. It's kind of gross; but also totally gratifying when you're done, knowing your laundry is probably the cleanest it has ever been.

A fresh debut novel about a lost, fierce young woman who finds her way to Alaska and finds herself through the hard

Online Library Laundry

work of fishing, as far as the icy Bering Sea Tara Marconi has made her way to "The Rock," a remote island in Alaska governed by the seasons and the demands of the world of commercial fishing. She hasn't felt at home in a long while -- her mother's death left her unmoored and created a seemingly insurmountable rift between her and her father. But in the majestic, mysterious, and tough boundary-lands of Alaska she begins to work her way up the fishing ladder -- from hatchery assistant all the way to King crabber. She learned discipline from years as a young boxer in Philly, but here she learns anew what it means to work, to connect, and -- in buying and fixing up an old tugboat -- how to make a home she knows is her own. A beautiful evocation of a place that can't help but change us and a testament to the unshakable lure of home, *The Alaskan Laundry* also offers an unforgettable story of one woman's journey from isolation back to the possibility of love.

For Cheryl Mendelson, laundering is the best part of housekeeping. It's full of physical pleasures--the look of favorite clothes restored to freshness and beauty, the tactile satisfaction of crisp linens in beautifully folded stacks. Good laundering preserves things you love and protects your pocketbook. It doesn't take much time or effort. What it takes is knowledge, and *Laundry* is the comprehensive, entertaining, and inspiring book on the art of laundering. Culled from the bestselling *Home Comforts*, with revised and updated information and a new introduction, *Laundry* is an indispensable guide to caring for all the cloth in one's home: from kitchen rags to bedding, hand-washables, and baby clothes to vintage linens. Mendelson offers detailed guidance on when to disregard labels, removing stains, making environmentally informed choices, sewing, and storing clothing and fabrics. A much-needed antidote to the standard-

Online Library Laundry

issue how-to manual, Laundry celebrates the satisfactions of ironing, folding, and caring for clothes and linens. Both pragmatic and eloquent, Mendelson provides beginning and veteran homemakers with a seamless combination of reliable instruction, time-tested advice, and fascinating personal narrative. As a farm girl in Pennsylvania, Mendelson—who is a philosopher, lawyer, and professor, as well as a homemaker, wife, and mother—received a classic domestic education from her grandmothers, aunts, and mother. Laundry combines the best of the traditional lore they taught her with the latest in technical and scientific information. Writing with infectious love and respect for her subject, Mendelson is sure to instill in readers a newfound affection and appreciation for the art of laundering.

Pssst...reader! I've got something to tell you. I'm not just another book of poetry. I'm full of voices you've never heard before. Have you ever wondered what it would be like to be a turtle, a snowflake, or a pile of dirty laundry? All sorts of objects and animals speak up in these poems that are just shouting to be read. So what are you waiting for? Check me out!

Named a Best Book of 2020 by Publisher's Weekly Named a Best Cookbook of 2020 by Amazon and Barnes & Noble
“Every elegant page projects Keller’s high standard of perfect culinary execution. . . . This superb work is as much philosophical treatise as gorgeous cookbook.” Publishers Weekly, STARRED REVIEW
Bound by a common philosophy, linked by live video, staffed by a cadre of inventive and skilled chefs, the kitchens of Thomas Keller’s celebrated restaurants—The French Laundry in Yountville, California, and per se, in New York City—are in a relationship unique in the world of fine dining. Ideas bounce back and

Online Library Laundry

forth in a dance of creativity, knowledge, innovation, and excellence. It's a relationship that's the very embodiment of collaboration, and of the whole being greater than the sum of its parts. And all of it is captured in *The French Laundry, Per Se*, with meticulously detailed recipes for 70 beloved dishes, including Smoked Sturgeon Rillettes on an Everything Bagel, "The Whole Bird," Tomato Consommé, Celery Root Pastrami, Steak and Potatoes, Peaches "n" Cream. Just reading these recipes is a master class in the state of the art of cooking today. We learn to use a dehydrator to intensify the flavor and texture of fruits and vegetables. To make the crunchiest coating with a cornstarch-egg white paste and potato flakes. To limit waste in the kitchen by fermenting vegetable trimmings for sauces with an unexpected depth of flavor. And that essential Keller trait, to take a classic and reinvent it: like the French onion soup, with a mushroom essence stock and garnish of braised beef cheeks and Comté mousse, or a classic crème brûlée reimagined as a rich, creamy ice cream with a crispy sugar tuile to mimic the caramelized coating. Throughout, there are 40 recipes for the basics to elevate our home cooking. Some are old standbys, like the best versions of beurre manié and béchamel, others more unusual, including a ramen broth (aka the Super Stock) and a Blue-Ribbon Pickle. And with its notes on technique, stories about farmers and purveyors, and revelatory essays from Thomas Keller—"The Lessons of a Dishwasher," "Inspiration Versus Influence," "Patience and Persistence"—*The French Laundry, Per Se* will change how young chefs, determined home cooks, and dedicated food lovers understand and approach their cooking.

One of the nation's leading Buddhist teachers and author of *A Path with Heart* and *Buddha's Little Instruction Book* uses moving stories to reveal the secret of discovering wisdom

while pursuing personal spirituality. Reprint.

Henry helps his mother with the laundry by sorting clothes, moving them from the washer to the dryer, and putting them away.

Once upon a time, in a world fraught with shrinking jeans, dry-cleaning debacles, and endangered delicates, laundry was a dreaded chore. Then one happy day, the Queen of Clean put an end to the vicious wash-and-dry cycle - with her all-new collection of ingenious tips and natural solutions for stress-free washing, ironing, sorting and stain-busting! Let the Queen show you how to: * Remove spots, stains, scorch marks and odours * Soften hard water and save clothes from a dull, grey fate * Make your own fabric softener sheets in a snap * Say good-bye to pink socks with a foolproof colourfastness test * Line-dry clothes without hanger lumps or clothespin marks * Decipher those fabric care symbols on clothing tags * Get the scoop on home dry-cleaning kits * Discover the secrets to lint-free drying and quick fixes for when tissues, crayons and other foreign bodies take a spin in the dryer The Queen provides a complete stain removal guide and ransacks your cupboard for amazing, inexpensive spot removers including lemon juice, meat tenderiser, WD-40, salt, shaving cream... and more! Whether you turn around family-sized wash loads seven days a week, air your dirty laundry at the local laundrette, or are among the seriously 'laundry challenged,' consult the Queen for no-nonsense advice and fabulous results!

2014 marks the twentieth anniversary of the acclaimed French Laundry restaurant in the Napa Valley—the most exciting place to eat in the United States—(The New York Times). The most transformative cookbook of the century

Online Library Laundry

celebrates this milestone by showcasing the genius of chef/proprietor Thomas Keller himself. Keller is a wizard, a purist, a man obsessed with getting it right. And this, his first cookbook, is every bit as satisfying as a French Laundry meal itself: a series of small, impeccable, highly refined, intensely focused courses. Most dazzling is how simple Keller's methods are: squeegeeing the moisture from the skin on fish so it sautées beautifully; poaching eggs in a deep pot of water for perfect shape; the initial steeping in the shell that makes cooking raw lobster out of the shell a cinch; using vinegar as a flavor enhancer; the repeated washing of bones for stock for the cleanest, clearest tastes. From innovative soup techniques, to the proper way to cook green vegetables, to secrets of great fish cookery, to the creation of breathtaking desserts; from beurre monté to foie gras au torchon, to a wild and thoroughly unexpected take on coffee and doughnuts, *The French Laundry Cookbook* captures, through recipes, essays, profiles, and extraordinary photography, one of America's great restaurants, its great chef, and the food that makes both unique. One hundred and fifty superlative recipes are exact recipes from the French Laundry kitchen—no shortcuts have been taken, no critical steps ignored, all have been thoroughly tested in home kitchens. If you can't get to the French Laundry, you can now re-create at home the very experience *Wine Spectator* described as "as close to dining perfection as it gets."

Ranging from suggestions for the care of musical instruments to maintaining home safety, a celebration of and guide to the finer points of home-keeping offers a contemporary, creative, and positive take on a traditional subject

"This novel will reconvince you of the power of wilderness to heal a human heart" (Pam Houston, author of *Contents May*
