What would it be like to have a true mate? What if that mate was a werewolf? Three best friends are about to find out. Jacque Pierce is an ordinary seventeen-year-old girl getting ready to start her senior year of high school. But when a mysterious Romanian exchange student named Fane Lupei moves in across the street, Jacque and her two best friends soon realize the last few weeks of their summer are about to get a lot more interesting. From the moment Jacque sets eyes on Fane, she feels an instant connection, a pull like a moth to a flame. Little does she know that flame is actually a Canis Lupus, werewolf, and she just happens to be his mate, the other half of his soul. But Fane isn't the only wolf in town. Just as Fane and Jacque are getting to know each other, a rogue pack appears led by a crazed Alpha. Now, Fane will have to fight, not just for his life, but also for the right to claim Jacque as his own. Females among the Canis Lupus are precious. Their light extinguishes the darkness found within the male werewolves. Fane will need all of Jacque's love if he has any chance to defeat his foe and earn the right to a life with Jacque by his side.

With the challenge complete and the corrupt Alpha of Coldspring defeated Fane is now free to complete the mate bond with Jacque and perform the Blood Rites. Although the challenge is done, the effects are far-reaching. Once it is known that Vasile one of the strongest Alphas in the world is in America, specifically Coldspring, TX, there is one Alpha who cannot overlook the significance of this. An Alpha who happens to share Jacque's DNA, but is this the one she needs to fear? With her mom driving and her two best friends, Jen and Sally in tow, Jacque set off for her happily ever after. She will soon realize a plan has been put in motion that will change her course and possibly tear her from Fane's grasp forever. It will take a wolf pack, her mother's love, her two best friend's unrelenting determination, her own will to survive and the undying love of her mate to bring her home. The question remains, if she fights, if she endures, who will she be, what will be left once she is back in her mate's arms?

He is mine and I am his. I will move every obstacle in my way to remind him. Decebel Anghelescu is one of the strongest Canis lupus on earth, an alpha in his own right. Now that he's found his mate, the fiesty blonde, Jennifer Adams, he could be stronger still, a powerful asset to the Romanian Greys. But he's been crippled by a devastating curse, one cast by an unknown enemy, a witch of incredible power. The spell threatens to dissolve the fragile new bond with the woman that is the other half of his soul. It will take the help of an entire pack to break it, but has too much damage already been done? Meanwhile, injured and alone, Jennifer fights for her life, and it appears to be a losing battle. Now, she has come to terms with her fate, accepting she won't share a life with Decebel...and what a life it would have been. But help comes in the most unexpected form...the discovery of a long-lost healer. The Romanian alpha, Vasile Lupei, will have to use all his resources □ including Sally Morgan, the new gypsy healer of the Romanian pack □ to battle the witch, lift the curse from Decebel and reunite him with his mate, and solve a mystery that's been surrounding the Romanian pack for 300 years.

Jennifer Adams, best friend to Jacque Pierce and Sally Morgan, spicy, out spoken, a little crazy and human...or so she thought. Jen has just found out that human DNA is not the only thing that resides in her veins, she happens to share that little pesky werewolf gene, although it isn't more than just a drop. Now that she and her friends are living in Romania with Fane's pack, she is also oh so conveniently stuck with the object of her affection, the fur ball Decebel. Drawn to each other by something they don't understand Jen finds herself frustrated by the lack of mating signs between her and said fur ball. Not only is she dealing with that not so un-frustrating problem, she now has been informed that because of that little drop of werewolf blood in her she is now required to attended a multi-pack gathering for un-mated wolves. This type of gathering hasn't taken place in over a century but with a shortage of females among the werewolf population the males are getting worried they won't ever find their true mates. Meanwhile, Decebel struggles with the emotions he is feeling towards Jen. He tries to keep his distance but there is just something about the mouthy blonde that keeps him coming back for more of her verbal abuse that he just can't seem to get enough of...go figure.

Though the Serbian pack has been brought to heel thanks to the downfall of their Alpha, the war is far from over. Desdemona, a witch of unfathomable power, has escaped the wolves□ wrath, but she will not go quietly into the night. She takes refuge in a place where even the smallest sliver of light does not dare to enter. Though she had to flee, she has not given up on the treasure she wishes to acquire. Her depravity knows no bounds; she's even willing to search for the one who can assist her in opening a Veil that has not been opened in millennia □ with good reason: the danger is incalculable. Meanwhile, there are major changes rippling through the Romanian Grey wolves. Decebel has become Alpha to the Serbian pack in an effort to begin to unite the Canis lupis species. Their numbers are dwindling in the wake of the shortage of true mates and lack of offspring. The wolves are beginning to lose faith and darkness seems to be crashing in on them from all sides. But the winds of change are blowing, changes that will alter the future of not only the Canis lupis, but of another ancient race as well. Amidst all of this, Sally is continuing to come to terms with her relationship with the playful, charming, flirty, unbelievably handsome bartender □ who happens to be a member of the Romanian pack. If all that weren□t enough, the Fates have decided to pay a little visit to Jen. It□s time to collect. She cheated the Fates of a life, her life. Now they want what they are due. The problem? It□s more than Jen is willing to pay. Yes, the war is indeed far from over. Bargains will be struck, declarations will be made, sacrifices will be given, love will be tested, and trust will be questioned as evil makes its stand against them all.
